Re: Letter of Reference
Goodness Me! Natural Food Market

Dear Mr. McCaig,

I am pleased to write this letter of reference for Paulsan Construction for your work done on our new store location in Mississauga. This was our first experience with Paulsan and what a wonderful experience it was!

Your team was very organized and did an excellent job in working productively each day. At the end of the day, the site was always clean and ready for the trades the following day. All Paulsan personnel were great to work with and as the client I felt their communication skills were the key factor in this successful project.

My overall experience with your organization was very positive and I look forward to working with all of you again. I would without a doubt, recommend Paulsan for any future Goodness Me! projects and to any potential Paulsan clients.

Sincerely,

A handwritten signature in blue ink, appearing to read "W. Fynn", with a long horizontal line extending to the right.
